Things starts looking up, though, when tall, dark, and handsome Gabriel Angeloscuro agrees to rent the empty apartment in Maddy's building. It's probably just a coincidence that as soon as he moves in, demons appear on the front lawn. Powers that place her directly between the light of Heaven, and the fires of Hell...

Followed by a former prison mate, a silent hulk of a man named Grim, she travels north to Dalriada. There she'll live on the fringe of a mysterious forest, duty bound for seven years to assist anyone who asks for her help. Oran, crown prince of Dalriada, has waited anxiously for the arrival of his future bride, Lady Flidais. He knows her only from a portrait and sweetly poetic correspondence that have convinced him Flidais is his destined true love. But Oran discovers letters can lie. For although his intended exactly resembles her portrait, her brutality upon arrival proves she is nothing like the sensitive woman of the letters. With the strategic marriage imminent, Oran sees no way out of his dilemma. Word has spread that Blackthorn possesses a remarkable gift for solving knotty problems, so the prince asks her for help. To save Oran from his treacherous nuptials, Blackthorn and Grim will need all their resources: courage, ingenuity, leaps of deduction, and more than a little magic.

*Son of the Shadows* Aug 08 2021 *Son of the Shadows* is the sequel to Juliet Marillier's evocative first novel *Daughter of the Forest*. It continues the saga of beautiful Sorcha, the courageous young woman who risked all to save her family from a wicked curse and whose love shattered generations of hate and bridged two cultures. It is from her sacrifice that her

brothers were brought home to Sevenwaters and her life has known much joy. But not all the brothers were able to escape the spell that transformed them into swans, and those who did were all more--and less--than they were before the change. It is left to Sorcha's daughter Liadan who will take up the tale that the Sevenwaters clan is destined to fulfill. Beloved child, dutiful daughter, she embarks on a journey that opens her eyes to the wonders of the world around her...and shows her just how hard-won was the peace that she has known all her life. Liadan will need all of her courage to help save her family, for there are forces far darker than anyone could have guessed and ancient powers conspiring to destroy this family's peace--and their world. And she will need the strength to stand up to those she loves best, for in the finding of her own true love, Liadan's course may doom them all...or be their salvation. *Hypatia* Jan 13 2022 This study reconstructs Hypatia's existential and intellectual life and her modern Nachleben through a reception-oriented and interdisciplinary approach. Unlike previous publications on the subject, Hypatia explores all available ancient and medieval sources as well as the history of the reception of the figure of Hypatia in later history, literature, and arts in order to illuminate the ideological transformations/deformations of her story throughout the centuries and recover "the

true story". The intentionally provocative title relates to the contemporary historiographical notion of "false" or "fake history", as does the overall conceptual and methodological treatment. Through this reception-oriented approach, this study suggests a new reading of the ancient sources that demonstrates the intrinsically political nature of the murder of Hypatia, caused by the phthonos (violent envy) of the Christian bishop Cyril of Alexandria. This is the first comprehensive treatment of the figure of Hypatia addressed to both academic readers - in Classics, Religious Studies, and Reception Studies - and a learned, non-specialist readership.

It's an idyllic life for Jena, the second eldest, who spends her time exploring the mysterious forest with her constant companion, a most unusual frog. But best by far is the castle's hidden portal, known only to the sisters. Every Full Moon, they alone can pass through it into the enchanted world of the Other Kingdom. There they dance through the night with the fey creatures of this magical realm. But their peace is shattered when Father falls ill and must go to the southern parts to recover, for that is when cousin Cezar arrives. Though he's there to help the girls survive the brutal winter, Jena suspects he has darker motives in store. Meanwhile, Jena's sister has fallen in love with a dangerous creature of the Other Kingdom--an impossible union it's up to

Jena to stop. When Cezar's grip of power begins to tighten, at stake is everything Jena loves: her home, her family, and the Other Kingdom she has come to cherish. To save her world, Jena will be tested in ways she can't imagine--tests of trust, strength, and true love.
