A New York Times and USA Today bestseller! I never intended to pick up a naked hitchhiker wearing nothing but a guitar. A guitar. Really. I don't collect guys like that (don't ask what kind of guys I do collect), but when you spot a blonde, tanned, sculpted man with a gorgeous smile and his thumb poking up and practically begging you to stop - you stop. And I definitely never thought I'd be staring into the bright blue eyes of Trevor Connor, the lead singer for Random Acts of Crazy, an indie rock star I followed like the slobbering fileshare fangirl I am. How he came to be nude and lost six hundred miles from home is quite the tale, but how we fell in love is even more unreal. Because someone like Trevor Connor, headed to Harvard Law next year, isn't supposed to want someone like me, a rural Ohio chick majoring in Boredom at Convenience Store University who is all curves and frizzy blonde hair and manners so unpolished they have

sharp edges that make you bleed. But he did. When his best friend, Joe Ross, the bass player for Random Acts of Crazy and a man who makes Calvin Klein models look like Shrek, drove eleven hours through the night to rescue him, though, it got real complicated. It's one thing to like two different guys and be torn. What do you do, though, when maybe - just maybe - you don't have to choose? * * * * * Random Acts of Crazy is a standalone, full-length novel (300+ pages, 85,000 words) featuring Darla Jo(sephine) Jennings, the 22-year-old niece of Josie Mendham from the Her Two Billionaires series. It has, like many New Adult novels, an exploration of sexuality for the three main characters, doesn't shy away from mature content, and Darla has a sailor's mouth. A necklace delivered to the wrong Allison: me. I'm the wrong Allison. That misplaced gift places a man in my path. A man who instantly consumes me and leads me down a path of dark secrets and intense passion. Dash Black is a famous, bestselling author, but also a man born into wealth and power. He owns everything around him, every room he enters. He owns me the moment I meet him. He seduces me oh so easily and reveals another side of myself I dared not expose. Until him. Until this intense, wonderful, tormented man shows me another way to live and love. I melt when he kisses me. I shiver when he touches me. And I like when he's in control, especially when I thought I'd never allow anyone that much power over me ever again. We are two broken people who are somehow whole when we are together, but those secrets—his, and yes, I have mine as well—threaten to shatter all that is right and make it wrong. What If I Never is the first book in the Necklace Trilogy. An instant #1 New York

This book is intended for mature audiences. What is fanfiction, and what is it not? Why does fanfiction matter? And what makes it so important to the future of literature? Fic is a groundbreaking exploration of

the history and culture of fan writing and what it means for the way we think about reading, writing, and authorship. It's a story about literature, community, and technology—about what stories are being told, who's telling them, how, and why. With provocative discussions from both professional and fan writers, on subjects from Star Trek to The X-Files and Buffy the Vampire Slayer to Harry Potter, Twilight, and beyond, *Fic* sheds light on the widely misunderstood world(s) of fanfiction—not only how fanfiction is transforming the literary landscape, but how it already has. *Fic* features a foreword by Lev Grossman (author of *The Magicians*) and interviews with Jonathan Lethem, Doug Wright, Eurydice (Vivean Dean), and Katie Forsythe/wordstrings. I believe that there is one person in this world that can both break us and make us whole. One person who can love us more than life can hurt us. With this comes deep, intense passion, and a burning connection. But in turn, that person can destroy us, cut us, make us bleed in ways no other ever could. They have power over us. For me, that one person is Dash Black. He walked into my life in a rush of sunshine, in the darkness of heartache and uncertainty. We were broken apart, and whole together. He healed me. I believed I did the same for him.

Until the past became the present, and every moment of suffering in his life consumed him. Instead of seeking refuge in me, he pushed me away. As the famous quote from an unknown author says, "If you love something, set it free. If it comes back, it's yours; if it doesn't, it never was." I've set Dash Black free. Now, I wait.
