The controversial chronicle of a motel owner who secretly studied the sex lives of his guests by the renowned journalist and author of *Thy Neighbor's Wife*. On January 7, 1980, in the run-up to the publication of his landmark bestseller *Thy Neighbor's Wife*, Gay Talese received an anonymous letter from a man in Colorado. "Since learning of your long-awaited

study of coast-to-coast sex in America," the letter began, "I feel I have important information that I could contribute to its contents or to contents of a future book." The man—Gerald Foos—then divulged an astonishing secret: he had bought a motel outside Denver for the express purpose of satisfying his voyeuristic desires. Underneath its peaked roof, he had built an "observation platform" through which he could peer down on his unwitting guests. Over the years, Foos sent Talese hundreds of pages of notes on his guests, work that Foos believed made him a pioneering researcher into American society and sexuality. Through his *Voyeur's* motel, he witnessed and recorded the harsh effects of the war in Vietnam, the upheaval in gender roles, the decline of segregation, and much more. In *The Voyeur's Motel*. "the reader observes Talese observing Foos observing his guests." An extraordinary work of narrative journalism, it is at once an examination of one unsettling man and a portrait of the secret life of

the American heartland over the latter half of the twentieth century (Daily Mail, UK). "This is a weird book about weird people doing weird things, and I wouldn't have put it down if the house were on fire." —John Greenya, Washington Times

Seventeen-year-old Rose is looking forward to a summer of freedom with her sister Diana. But the war has turned everything upside down and she finds herself battling with first love, prejudice and duty. Uncovering an extraordinary love story from another war, Rose discovers a secret that will change everything. The occasion of forty years of teaching at Amherst by William H. Pritchard, the renowned critic of Frost, Jarrell, and many others, has generated a remarkable collection of essays by former students, colleagues, and friends. The essays themselves are a spectrum of contemporary, criticism, ranging from classroom memoirs to analytic essay-in-criticism to assessment of the state of academic letters today. These contributions, a tribute, by reason

of their very range, are a salute to the breadth of William Pritchard's circle of literary acquaintance. Under Criticism demonstrates the fine persistence in certain manners of approach and habits of focus that go, among that circle, under the name of criticism. Drawing foremost on their engagement with the literature before them, Christopher Ricks, Helen Vendler, Patricia Meyer Spacks, Neil Hertz, David Ferry, Paul Alpers, Joseph Epstein, and Frank Lentricchia -- as well as fifteen other critics and men and women of letters -- reinforce Professor Pritchard's prescription that in order to have a hearing, the critic needs to keep listening. Henry Reed has arrived in Grover's Corner--and the town will never be the same. While spending the summer with his aunt and uncle, Henry comes up with a sure-fire money-making project: Henry Reed, Inc., Research. Henry's neighbor, Midge Glass, has an even more sure-fire hit: Reed and Glass, Inc. Now with Henry's ingenious mind and Midge's practical reasoning, Reed and Class Inc.

turns into a huge success--while creating more bewildering and outrageous schemes than the townfold could have imagined.
